

PROJECT KNEW GROOVE

Annual Sponsorship

Project Knew Groove (PKG) depends on the generosity of businesses, institutions, organizations and individuals who recognize the importance of our mission to provide facilities and educational programs to artists of all ages on the San Mateo County Coastside.

Those providing gifts in the first year of operations at the Project Knew Groove Studio will be considered Annual Sponsors. Such sponsorship is critically important in helping the organization develop and expand successfully.

Annual Sponsors must commit to a total of \$1000 a year. The valuable gift from each Annual Sponsor will be used specifically to maintain PKG's monthly operating expenses. Please help us to create a thriving, sustainable non-profit business.

Special Recognition for Annual Sponsors

1. Annual Sponsors will receive special recognition in the studio and at all events throughout 2012.
2. Annual Sponsors will be featured on the Project Knew Groove website.
3. Annual Sponsors will be free to use this designation on their own websites, promotional materials, reports and other materials.
